Outside Work

1/4 At Work

Nearly three-fourths of medically consulted injuries take place outside of work.¹

Most major medical insurance plans only pay a portion of the bills. Our coverage can help pick up where other insurance leaves off and provide cash to help cover the expenses.

With accident insurance from Allstate Benefits, you can gain the advantage of financial protection, thanks to the cash benefits paid directly to you. You also gain the financial empowerment to seek the treatment needed to get well.

Here's How It Works

Our coverage pays you cash benefits that correspond with hospital and intensive care confinement. Your plan may also include coverage for a variety of occurrences, such as: dismemberment; dislocation or fracture; ambulance services; physical therapy and more. The cash benefits can be used to help pay for deductibles, treatment, rent and more.

With Allstate Benefits, you can protect your finances against life's slips and falls.

Are you in Good Hands? You can be.
