Protect yourself and your family

Did you know that families are more likely to experience identity theft than individuals? And when they do experience fraud, it takes families two times longer to resolve. Plus, the costs families incur as a result of fraud are three times higher.² Our Family Plan provides coverage for kids and teens of all ages, so you can help protect their future and give them a safe head start. If they are dependent on you financially or live under your roof, they're covered.*

It's easy to get started: We'll begin monitoring for threats against your identity and you'll be eligible for restoration and reimbursement if identity theft occurs with no additional setup required.

- 1. Get protected from your effective date** - Our auto-on credit monitoring alerts require no additional setup.
- 2. Activate key features** - Explore additional features in our easy-to-use portal. The more we monitor, the better you can protect yourself
- 3. Live your best life online** - In the event of identity theft or fraud, you'll receive an alert as soon as it's detected.
