\* The Horizon Payroll Term (P20RCT) provides a level death benefit for the lesser of 20 years or to age 70. After the initial term period, the policy can be renewed for successive term periods prior to age 70. Rates increase at renewal based on attained age.

\*\* Current Premiums are guaranteed for the first 5 policy years. After 5 years, we may increase or decrease the premium, but it will never exceed the maximum premium.

‡ This is the maximum premium for the initial term period. The maximum premium for subsequent term periods is based on the attained age of the insured at the time of renewal.

† Premium is less than the required minimum premium amount of \$2.00 weekly or \$8.66 monthly.
