# TruHearing® Hearing Aid Discount Program

VSP® Vision Care members can save up to 60% on the latest brand-name hearing aids. Dependents and even extended family members are eligible for exclusive savings, too.

## Hearing loss is growing in the workplace.

Like vision loss, hearing loss can have a huge impact on productivity and overall quality of life. Unfortunately, of the over 38 million people who need hearing aids, only one in five has them. And the high cost of hearing aids is a major factor keeping people from addressing their hearing loss.

*96% of customers surveyed would recommend TruHearing to their friends and family.\**

## More Than Just Great Pricing

TruHearing also provides members with:

- Three provider visits for fitting and adjustments
- A 45-day trial
- Three-year manufacturer warranty for repairs and one-time loss and damage replacement
- 48 free batteries per hearing aid

Plus, members get:

- Access to a national network of more than 3,800 hearing healthcare providers
- Straight-forward, nationally-fixed pricing on a wide selection of the latest brand-name hearing aids
- Deep discounts on batteries shipped directly to their door

Best of all, if your organization already offers a hearing aid benefit, members can combine it with TruHearing prices to reduce their out-of-pocket expense even more!
